

With the Marietta Community Foundation

Aww the holidays. We all want to spread good cheer, but this year you can do more than that! By purchasing a gift certificate from the Marietta Community Foundation, you can bestow the gift of giving back to our community. You simply purchase a gift certificate for the amount of your choice and then give it as a gift to someone else for the holiday season. They then choose from one of the many funds at the foundation they would want your donation to go into. The Marietta Community Foundation will send you a letter for proof of purchase and tax purposes. Your recipient will also receive a letter from the foundation as a remembrance of your gift. Don't miss out! Give the greatest gift this season; the gift of giving back.

For more information on [Give Back for the Holidays](#) or to purchase your gift certificates call the Foundation at 373-3286 or stop by the office located at 121 Putnam Street, Marietta OH 45750
